The Honourable Minister

Madras

Honoured Sir.

I humbly beg to submit my appeal petition against the orders of the Registrar of Cooperative Societies Madras for not granting me addl salary for having acted as special desk officer Bellary from 14.12.46 to 15.2.47 simply because I did not produce an order placing me in additional charge of the post. The original order of the Registrar of Cooperative Registrar is enclosed.

2) In this connection I beg to submit the few following lines for kind consideration.

A few days prior to 14.12.46 Dt ex. D.C.S. Comm^r for Prohibition was Camping at Bellary. Janab Khader Sharb wanted relief urgently. Janab Khadr Sahb was the special desk officer

Dexon as Commr of Prohibition immediately
wrote a note in Blue pencil to the Collr
Sri K. N. Anantharaman Esqr I.C.S. to
relieve him immediately placing a
senior Asst development officer in charge.
Accordingly I was asked to take charge
as Spl devl offcr. A report to that
effect was sent to the Board.

I worked as special devt officer
for 2 months from 14/12/46 to 15/2/47
doing the duties independently
as personal Asst to the Collector
on the Amelioration side in addition
to my duties as Asst devt offcr
Bellary.

On 16-2-47 Mr Ramanatha Rao
was appointed as Spl devt offcr to
whom I handed over charge.

My name was omitted in the
quarterly list of Gazetted officers
as having acted as Spl devt offcr
(a Gazetted Job) It may be verified
also (Qly list for the Qr ending 31-3-47)

Mr Ramanatha Rao & Jamadar
Mehmal Khan Saibs are still in service

in the Co-operative Dept & they may be enquired of what I said is true or not.

K. N. Anantharaman Esqr I.C.S. Collector of Bellary may also be enquired into — as he was the officer who placed me in addl charge.

When so much of proof is available the Registrar of Co-operative Societies was not kind enough to sanction addl allowance to me. Even a report was sent to the Board about my keeping in addl charge the Board ~~acted~~ was not kind enough to ~~true~~ issue orders in the matter but instead of that a substitute was only appointed for no fault of mine the addl salary was rejected.

The Registrar wanted me to report the items of work turned out as S. D. C. in his office enclosed. Accordingly I furnished the required information

When the Registrar of Co-operative Societies visited Bellary my Dewan Mr Ramanatha Rao did introduce me to the Registrar saying that I was the man kept in charge of the S. D. O's Office I was then running the Rural

School which was inspected by the Registrar. I accompanied the Registrar up to Hospet via Kudatani where I explained to him that I was in charge as S. D. C & that I formed a Sanghamitra. Though specific instances were quoted yet the Registrar did not sanction the add Salary saying because the order was not enclosed.

In the above circumstances I humbly request the Hon'ble Minister to consider my case favorably & issue order passed at an early date

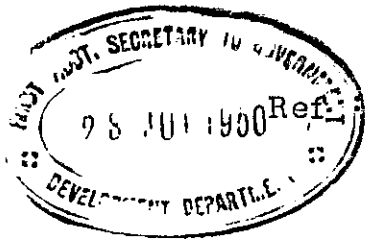
Ex-Assistant Development Officer, Bellary District--
Additional Charge Allowance--Drawal petition



Ref:- Development Department Endorsement No.29664 B.1/50-5 dated 30-5-50.

In his petition dated Nil (copy sent to me for remarks with Government endorsement cited) Sri V. Srinivasa Rao, Ex-Assistant Development Officer, Bellary District, has appealed against my orders declining to recommend sanction of additional charge allowance to him in the absence of specific orders placing him in full additional charge of the post of Special Development Officer, Bellary, from 14-12-46 to 15-2-47. The petition already put in by him in this regard on 5-6-48 to the Deputy Commissioner of Prohibition (Amelioration), Madras was forwarded to the Collector, Bellary for report by the Board of Revenue (Excise). The Collector reported that there were no records available in his office furnishing information regarding the date of taking charge and date of handing over charge of the post of Special Development Officer, Bellary by the petitioner. The then Special Development Officer, Bellary reported that the petitioner stated that no orders placing him in additional charge were given to him and that the Collector of Bellary in his L.Dis. 8935/20-1246 had recommended to the Board that the petitioner might hold additional charge of the post of Special Development Officer, Bellary. This lodged disposal however is not available. It is reported to have been destroyed by the Collectorate in 1948. In the quarterly list of Gazetted Officers (corrected upto 1st April 1947) the name of Sri V.Srinivasa Rao is found against the item - Special Development Officer, Bellary. The Collector's report also indicates that the petitioner took charge on 15-12-46 from Mr.Abdul Khader Saheb and handed over charge to Sri Ramanatha Rao on 14-2-47 though there are no records with him to confirm the information.

In the absence of specific orders placing the petitioner in full additional charge of the post of Special Development Officer, Bellary and as the Collector had not also recommended his case for sanction of additional pay, I declined to recommend to Government the sanction of additional charge allowance to the petitioner and told him so. I adhere to the same view now.

Ref:- Government Memo No. 29664 B.I/50-6 Development dated. 3-8-1950.

In their Memorandum cited Government have called for information whether Sri V. Srinivasa Rao held full charge or discharged only the current duties of the Special Development Officer's post from 15-12-46 to 14-2-47. The Special Development Officer, Bellary who was asked to furnish the information has reported that excepting the letter L.Dis. 7902/48-A dated. 29-1-1949 of the Collector of Bellary to the Board of Revenue (Copy enclosed) there is no other record to know whether the individual held full charge or discharged only the current duties of the Special Development Officer's post. The information is not also available from the diaries of the ex-Assistant Development Officer for the period and they show that no substantial work was done by him as Assistant Development Officer incharge of the Special Development Officer's post during the period. The Collector of Bellary has sent the service book of Sri.V. Srinivasa Rao. It is seen from the service register that an entry was made in it to the effect that the ex-Assistant Development Officer was in additional charge of the Special Development Officer's post from 15-12-1946 to 14-2-1947 (vide page 13 of the service book volume II). This entry, however, was not attested. In the absence of any record to the effect that the individual held full charge of the Special Development Officer's post, it cannot be deemed that he did so. I enclose the diaries and the service book (3 volumes) of the ex-Assistant Development Officer for reference and return.

The appeal petition from Sri V. Srinivasa Rao Ex Assistant Development officer at pp19-20Cf the Collector's remarks at p12Cf and the Res's remarks at p29Cf may be perused.

2. Sri V. Srinivasa Rao has appealed against the orders of the Registrar of Cooperative Societies p17Cf declining to recommend additional charge allowance to him for having held additional charge of the post of S.D.O Bellary from 14-12-46 to 15-2-1947. The Registrar has stated that as there are no specific orders placing the petitioner in full addl charge of the post of S.D.O. Bellary and as the Collector of Bellary did not recommend

his case, he declined to recommend to Govt the sanction of addl charge allowance to the petitioner. The Registrar has stated that he still adheres to the same view. In the circumstances it is for orders whether the Registrar's view may be accepted and the petition rejected.

See the below mentioned minute recorded on P 29. It is evident that he took charge on 15.12.46 and handed over charge on 14.2.47. The period for consideration ought to be of the held full charge of the addl post as entitled to the routine duties of the addl office. If it is the latter he cannot claim any addl pay. Further the rules also specify this distinction verify

FR 49 ~~pp 52-54~~ F.R. 49 prescribes the rates of addl pay admissible to Govt servants. If the Govt servant is appointed to hold full charge of one or more posts in addition to his own, the addl pay which may be granted to him should not exceed one fifth of his substantive pay in respect of each addl post. If he is appointed to discharge only the current duties of one or more posts in addition to his own, the addl pay which may be granted to him should not exceed one-tenth of his substantive pay. Instruction 2 under F.R 49 lays down that no additional pay should be granted unless the previous incumbent of the additional

post held has actually given over charge thereof under orders of Competent Authority. In this case the petitioner had been appointed by a Competent Authority to hold addl charge of the addl post. Hence the Government in this Case. However it is for orders whether the information required at 'A' on p3 above may be called for from the RCS. As he appealed it is very late to have an opinion (to reject addl pay) that it allowed only in current duty and not full charge in addl charge

The notes from the middle of p2 above and the Registrar's Ref at pp33-34Ct may be perused

The Registrar has stated that excepting the letter R.Dis 7902/48-A dated 29.1.1949 of the Collector of Bellary to the Board of Revenue and the entry in the Service Register to the effect that the ex-Assistant Development Officer was in additional Charge of the Special Dev. Officer's post from 15.12.46 to 6.2.47 there is no other record to show whether Sri. V. Srinivasa Rao held full Charge or discharged only the Current duties of the Special Dev Officer's post. The Registrar has also stated that it is seen from the Diaries of the ex Asst Dev Officer that no substantial work was done by him as Assistant Dev Officer in charge

The fact that the entry in the S.R was not attested does not materially affect the proposal in this file, Since the question of payment of addl Charge allowance does not arise in the absence of orders placing the petitioner in additional Charge and of any record to the effect that Sri V. Srinivasa Rao held full additional Charge of the SDO's post from 15.12.46 to 14.2.47. In the circumstances it is for orders whether the prayer may be negatived in case they see fit to grant the petitioner's request

The R.C.S. may now be informed that the case was not attested with full addl Charge and no orders exist to show that he held full additional Charge. The entry attested only in the S.R is not an order. Hence the request cannot be acceded to and may be negatived
